Minn. Gen. R. Prac. 131.02

---

The Motion for Use of ITV requests that the hearing or proceeding described in the motion be conducted by ITV. Pursuant to the General Rules of Practice for the District Courts, you have the right to object to the use of ITV, but you must do so in writing forty eight (48) hours prior to the hearing on the motion for use of ITV. The court in ruling on the motion will consider failure to timely object.

When ITV is used to conduct a hearing or proceeding, any documents or other written material which you know to be relevant or necessary to the proceeding must be exchanged with all parties and submitted to the court, as appropriate, prior to commencement of the hearing.

No recording shall be made of any ITV proceeding except the recording made as the official court record.
